I am a: **Teen** | **Adult**

Thank you for participating in Baker Free Library's Summer Reading Program! This is your Bingo card, to be used throughout the next 8 weeks. **The challenge is this:** to check off as many boxes as you can by August 13. As you complete each task, record the title of the book in the corresponding box.

You'll earn one raffle ticket for every book you read, with gift certificates to local stores and businesses raffled every week for both teens and adults. Every time you complete a Bingo—5 boxes in a row in any direction—you'll earn a **grand prize raffle ticket** good toward one of two \$50 gift certificates!

To earn your raffle tickets, visit the summer reading page on the library's website and update us on your progress, as early and as often as you like. And remember: **Books in any format and genre are acceptable for this challenge, as long as they aren't duplicated in more than one square!**

## Reading Recommendations

Need suggestions for a task, or want to chat with other participants about their choices? Join our online discussion group! Visit [www.goodreads.com/group/show/1048908-book-bingo-2022](http://www.goodreads.com/group/show/1048908-book-bingo-2022), or scan the QR code on the right.

You'll need a free Goodreads account to participate in group discussions, but you can view suggestions and check out our virtual bookshelf – with recommendations for many of the reading tasks – without making an account.
