Meeting called to order at 8:05 am

A. New Business

- Discuss Patron incident on 5/20/19

It seems clear the Patron violated the Library Use policy.

The Director was told by the Chief of Police the disinvite process she was given earlier is incorrect. She will ask for a correct process.

Members of the Board recalled a news article about a person with social services or mental health training riding with Officers on patrol. Chris will ask the Chief if this situation is something they could advise us on.

8:30 AM- John Smith left.
