# READS

REFERENCE AND ADULT SERVICES SECTION

## February/March 2022 Newsletter

### Save the Date: Spring Roundtables

Join us on **Monday, March 21st** for a virtual roundtable or on **Monday, April 4th** for an in-person roundtable at the Hooksett Public Library, to discuss affordable programming as well as collaborative programming best practices. Stay tuned for more information!

---

### Membership Renewal Reminder

There's still time to renew your NHLA and READS memberships! You won't want to miss out on these great benefits of being a READS member:

- Bi-Monthly newsletter featuring news, programming ideas, reference resources, editorials, and event reminders!
- Member-discounted rates for BOTH the READS Spring Roundtable and Fall Conference!
- Networking opportunities to serve on READS Committees and the Executive Board!
- Specially curated event reminder and announcement emails!
- A dedicated and knowledgeable group of librarians and library staff who are ready to share ideas!

For just \$5, you'll get another fun year of adult services related news, highlights, and events. Renew both your NHLA and READS memberships [HERE!](#)

Thank you for continuing to be a part of our READS family!

---

## READS Repository: Programming

Looking for programming ideas? Look no further than the READS Repository. Within the Repository, you'll find access to a variety of programming resources including, [programming ideas](#), [book discussion resources](#), [information on best practices for virtual programming](#), the [READS Programming Database](#), and so much more! To access all of these programming resources and more in the READS Repository, click [HERE!](#)

If you have programs or programming resources and wisdom to share, submit it to the READS Repository!

### Submission couldn't be easier:

- Email your PDF, png, jpeg, or Word document, to [READSrepository@gmail.com](mailto:READSrepository@gmail.com)
- Use the subject line: Steal This Content!

The READS Repository is a living organism with content submitted from librarians across the state. Anyone who has created an Adult or Reference Services related document is encouraged to share it on this platform!

---

## READS Programming Database: Tips & Tricks

Make your 2022 Adult Program Planning easier with the READS Programming Database! Not only does the Programming Database have a variety of listings covering a broad range of topics, but also it contains a Tips & Tricks page to help you navigate the database with ease. Learn how to make your searching more efficient within each program category and listing [HERE!](#)

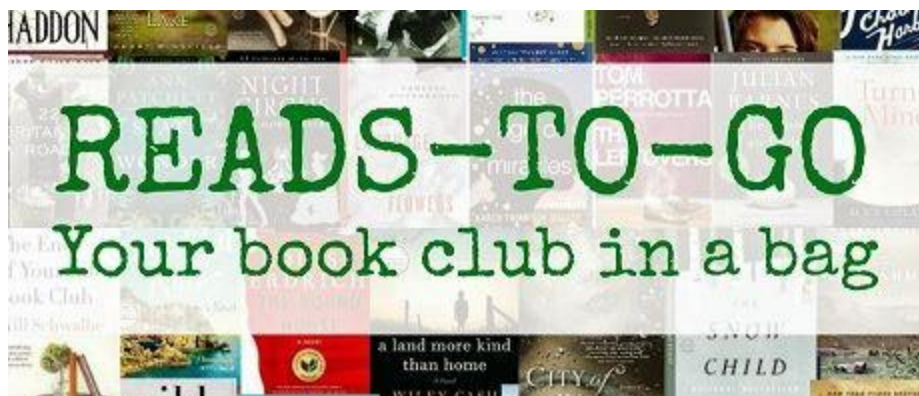

Have you hosted or created an Adult Services related program that isn't listed in the Programming Database? Share it with your fellow NH librarians!

### Submission couldn't be easier:

- Simply fill out the questions on the [Adult Program Recommendations Form](#).
