Total copies made	1,817
Total prints made	570
Holds filled (ILL)	1,212
Holds Received	633
Wireless Visits	226

## Technology

- Request for live feed capability presented to Charter Communications. The administrator there is confident that we should have broadcasting capacity by early August.
- Internet traffic so busy that we had to have CWMARS reconfigure the Packetshaper to control access by WiFi to bandwidth so as to allow unfettered access by staff computers and public access computers, in that order of priority.
- Gary Bridgman and I met with the Town Accountant to review the Trust Fund accounting on KVS system.

## Job Vacancies

- Interviewing complete for Library Aide position in the Children's Room. Job offer is going out from Town Manager's office.
- Recruitment for the Adult Services position has commenced. Advertisement is posted on Simmons Jobline and MA Board of Library Commissioner's website as well as posted within the library and town hall.

## Outreach and Committees

I have accepted the invitation to be on *Connecting to Collections* Institute of Museum and Library Services (IMLS) Grant Advisory Committee (July 1, 2009 – March 31, 2011) through the MBLC. I have also been nominated to participate on the Executive Board of the Central Massachusetts Regional Library Services (CMRLS). I had a very successful meeting with Anne Pound, Asst. Dean of Library Services at Quinsigamond College, where we discussed mutual goals.

## Long Range Plan

Preparations are underway for the focus groups. Sample LRPs from other communities have been obtained for review. Need to decide dates of 3 sessions. A Saturday morning, and evening and an afternoon time would be preferred. Data sets have been sent out by email to Board for review and comment.

50 Paintings by Charlene Cloutier – is the exhibit of the month  
Woodcarvings by Roger Lapierre are on view, in the display cases
