*Technology*

The upgrade of the public access computers to Windows 7 has been completed. Some inter phase issues are being experienced with the time management system which we are working through with the network personnel.

JEL hosted colleagues from other area libraries for a demonstration of Barnes & Nobles EReader – the Nook. We hope to buy color and B&W Nook soon.

*Building*

Town Manager set up a meeting to review the issues we are experiencing with the building. This meeting took place as a result of the Chairwoman's request to discuss capital spending and facilities management, with the manager. During the recent torrential rain some leaks were discovered in the window wells in the Teen area. Seth Lajoie has reviewed the library site.

The bathroom on the main floor flooded. There was water in the hallway and some leaked down to the next floor as well. Thanks to the DPW staff Vince and Luke for assistance. Annual cleaning of the gutters has been completed.

#### Staff

Karola Daigle's husband passed away.

Library Aide position has been advertised.

Staffing shortages continue to be experienced due to illness and vacation.

#### Volunteers

The library has agreed to participate in the SWCEC Work Experience Program where 3 students and a job coach will volunteer for three hours each week. The program has started and is working out well.

#### Instruction

A contract has been signed with *Generation Online* who will offer 20 hours per week of free peer coaching to seniors, beginning in November. This program is cosponsored by *Senior Service of America and Catholic Charities*. Lots of interest has already been expressed by seniors.

#### Grant

Staff met with Recycling Coordinator to review the Clean Energy Grant and plan for the next phase. Staff has worked with performers to submit eleven LCC Grant applications with the Southbridge Cultural Council for funding in FY11.

#### *Gift*

The Van Vooren Family would like to set up a fund in memory of Trustee Marcelle Van Vooren.

#### Schools

I was invited to visit West St School and talked with two classes.

#### Outreach in the Community

I attended the Visioning 2020 Meeting of The Last Green Valley on Wednesday evening.

Recently retired QCC Library Director Anne Pound visited Jacob Edwards Library recently.

I attended the official unveiling of the Spectacular AO sculpture on the common.

#### Programs

JEL celebrated Teen Read Week 2010 with a display of books on this year's theme "Books with Beat" and Wii Rock Band for teens program on October 22nd. National Gaming week was celebrated last Saturday here at the library. There was a large audience for Immigration Lawyer Iris Gomez presentation. Attendance in general is improved from this time last year. Meeting rooms continue to be in high demand.

#### *Professional Engagement*

Two staff members attended the Reforma Book Fair, at Harford Public Library, to meet with vendors of Spanish-language materials. I attended the monthly meeting of area library directors.

### Media

Telegram and Southbridge News reporters as well as Cable company were here to cover Jack Larkin's presentation. *El Vocero* promoted Iris Gomez program.

### Sustainability Planning

As part of a forward planning process, we are starting to review printing/copying/scanning/faxing options and met with one of the vendors.
