#### Donation

- A donation of \$1,000 was received from a Sturbridge patron whose son spent hours as a child at the Jacob Edwards Library. He passed away last year and she wished to honor his memory by connecting to the library with an unconditional donation. I mentioned that we have an original collection (3) paintings that were illustrations from a book and would like to consider using some of the money to purchase an original work of art. She was pleased with this idea and I would like to propose that the money be used to buy an illustration by Audrey Helen Weber (Southbridge High School graduate and a NYT Book Review illustrator among other accomplishments).
- 11/4 Linda Serleto Poli donated Margaret Octavia Champagne's framed Mary E Wells High School Diploma from June 26, 1924. With Ms Poli's permission, as the library already has a framed copy of the M E Wells Class of 1917, on display, it has been passed along to the Optical Heritage Museum.
- Janet Tieri Borden gifted a framed photograph from 1918, of Federico Nicholas Verna and Chiarina (nee Campilli) Verna and a history of the family, as well as some other photographs.
