 - On Friday April 30, 2021, a large branch fell off of a parkway tree onto a fence at 4601 Kenilworth. Public Works did cut the fallen branch and remove it off of the property. Discussion ensued regarding how incidents like this were handled through the Village in the past.
3. Interim Fire Chief Alan Dudek
 - This week we received the new Scott Air-Pak's. We have the company doing service training this week and next week. The Air-Pak's should be in service the following week.
 - Spoke to our OSHA inspector and I was informed that we are six weeks late in correcting the violation list. After explaining that we had a change in personnel, I was able to file for a thirty-day extension. That will give us enough time to make the corrections that are outstanding and avoid any citations.

B.) Reports from Village Trustees

A Trustee spoke with the Stickney Township Health Inspector regarding the inspections they do in our Village. They should be contacted to inspect any new businesses.

A Trustee brought up the number of vehicles parked in some of the driveways. We need to start enforcing the Ordinance regarding vehicles. Discussion ensued regarding the number of vehicles allowed per Ordinance 10-12-2 J1 and options to address the situation.
